## 876 PENNANT BARRICADE FLAGS

#876 is a Perimeter marking barricade material constructed with brightly colored yellow, red, or multicolored pennants carried on a sturdy poly rope to prevent draping. Designed to isolate dangerous areas and highly effective at drawing attention for protection, traffic or other events where safety is of utmost concern. Resists wind, rain, snow, and other harsh elements. This construction makes it suitable for use in long term projects. Tape is designed as a long-lasting, fade resistant marking solution for off limit areas and to protect workers and visitors from job site dangers. **Meets OSHA requirements for Perimeter Marking.**

Offered in 3 colors/patterns: YELLOW, RED, and MULTI (white, yellow, red, orange, blue & green repeat colors).
