

## 108 SERIES MR. BLUE 14 DAY CLEAN RELEASE PAINTER'S MASKING TAPE

### **DESCRIPTION**

Mr. Blue is a Painter's Grade Masking tape with a specially formulated adhesive system that provides clean removal characteristics and UV resistance – up to 14 days of outdoor exposure. Special characteristic of the adhesive system is that the peel adhesion does not increase with time, allowing for removal off a wide variety of surfaces without surface damage. Suitable on Wood, vinyl, glass, painted surfaces, and trim work to name a few. However, it must be tested for each specific application & condition. Higher tack adhesive formulation allows for tape to be used in NON-TRADITIONAL painting applications and industrial uses!

### **PHYSICAL PROPERTIES**

Color	Blue
Backing	Saturated Blue Crepe Paper
Total Thickness	5.5 mil
Tensile Strength	25 lbs/in
Elongation	7%
Adhesion to Steel	16 oz/in

*The physical and performance characteristics shown are averages obtained from tests recommended by ASTM, government agencies or our own procedures. A particular roll may vary slightly from these averages and it is recommended that the purchaser determine the suitability for his own purpose.*
