

#720 Stationary / Office Desk Tape

DESCRIPTION:

720 is produced with a high quality hand-tearable biaxially oriented Polypropylene, coated with a water-based based acrylic adhesive. Product is non-yellowing, has a long shelf-life and is UV resistant. Offered in both 1.5" and 3" core versions for use on both office and industrial dispensers.

APPLICATIONS:

- Used for light-duty mending, fixing, and fastening
- Suitable for general purpose splicing and tabbing applications.
