

A high performance hand wrap designed to securely unitize irregularly shaped and difficult to wrap loads. Manufactured of a quality three layer, cast, coextruded, linear low density polyethylene film with both side cling.

80G series Handwrap

- Good puncture resistance, tensile strength, elongation and performance.
- Excellent load retention and stretch memory.
- Provides compressive force for tighter load holding.
- Will perform consistently at higher stretch levels, resulting in excellent cost performance value.

115B – Stretch Band – 115 Gauge

- Replaces twines, tapes and strapping.
- Protects your products from scratching.
- Eliminates residue left behind by adhesive tape.

580SB – Stretch Band – 80 Gauge

- Replaces twines, tapes and strapping – protects your products from scratching.
- Eliminates residue left behind by adhesive tape.
- Includes **one dispenser per box** for ease in application.

580EH – Stretch Band – 80 Gauge – Extended Handle

- Replaces twines, tapes and strapping – protects your products from scratching.
- Eliminates residue left behind by adhesive tape.
- Convenient Built-in Handle in each roll makes wrapping a Snap!

Series	Gauge	Product Code	Size	Units/Case	Pack	Features
80G	80 gauge	91080	15" x 1500 ft	4 / case	bulk	Excellent load retention and stretch memory.
		91280	18" x 1500 ft	4 / case	bulk	
115B	115 gauge	918115	3" x 1000 ft	18 / case	bulk	Replaces twines, tapes and strapping.
580SB	80 gauge	91680	5" x 1000 ft	12 / case	bulk	Eliminates residue left behind by adhesive tape.
580EH	80 gauge	91681	5" x 1000 ft	12 / case	bulk	Convenient Built-in Handle in each roll makes wrapping a Snap!
