AVERT THE DIRT

WITH ELECTRO TAPE'S PREMIUM DIRT-GRABBING STICKY MATS

CONSTRUCTION SITES
REMODELS
CLEANROOMS
LABORATORIES
...AND MORE!

Pictured with non-skid base

Our sticky mats lift dirt and debris from shoes and wheels and will not leave a residue! Each mat has 30 sheets of exposed low-tack adhesive that collects and prevents foot traffic contamination. Peel top sheet away to reveal the next clean layer. Heavy duty non-skid base is available for use with 24" pads. Base prevents slipping and allows for easy relocation of entire system.

Product Code	Size	Units/Case	Pack
